

INNOVATION IN CORPORATES

WHAT IS INNOVATION?

INNOVATION = NEW + BETTER

- IT MEANS CREATING SOMETHING NEW OR FINDING A BETTER WAY TO DO THINGS.

IT COULD BE:

1. A NEW PRODUCT (LIKE A BUDGET-FRIENDLY CAR)
2. A SMARTER PROCESS (LIKE FASTER DELIVERY)
3. OR EVEN A UNIQUE IDEA (LIKE REMOTE LEARNING PLATFORMS)

- IT'S NOT LIMITED TO TECHNOLOGY—IT'S ALSO ABOUT CREATIVITY, SERVICE, AND THINKING SMART.

WHY INNOVATION MATTERS IN BUSINESS

WHY DO COMPANIES CARE ABOUT INNOVATION?

BECAUSE IT HELPS THEM:

1. **GROW:** NEW PRODUCTS ATTRACT MORE CUSTOMERS
2. **STAY COMPETITIVE:** KEEPS THEM AHEAD OF RIVALS
3. **SOLVE PROBLEMS:** TACKLES REAL-WORLD ISSUES LIKE

POLLUTION, COST, ACCESS

WITHOUT INNOVATION, COMPANIES GET STUCK. WITH IT,
THEY THRIVE.

NOT JUST TECH – INNOVATION TAKES MANY FORMS

THINK INNOVATION IS ONLY ABOUT APPS AND AI? THINK AGAIN.
INNOVATION CAN ALSO BE ABOUT:

1. BETTER CUSTOMER SERVICE (LIKE FASTER SUPPORT)
2. NEW WAYS OF THINKING (LIKE DESIGN THINKING)
3. SOLVING SOCIAL PROBLEMS (LIKE REDUCING PLASTIC USE)
4. CREATIVE BUSINESS MODELS (LIKE SUBSCRIPTIONS FOR SERVICES)

IT'S ALL ABOUT BEING SMARTER AND MORE IMPACTFUL

CASE STUDY — TATA GROUP

TATA LAUNCHED THE **TATA NANO**, THE WORLD'S CHEAPEST CAR—MEANT TO HELP MIDDLE-CLASS FAMILIES AFFORD A CAR. THAT'S INNOVATION FOR THE MASSES!

ALSO:

TATA'S CSR PROJECTS FOCUS ON WATER, HEALTH, AND EDUCATION

TATA STEEL USES AI FOR SUSTAINABLE MANUFACTURING

CASE STUDY — INFOSYS

INFOSYS: TECH WITH A TWIST

INFOSYS BUILT PLATFORMS FOR:

1. DIGITAL LEARNING (INFOSYS SPRINGBOARD)
2. REMOTE WORK TOOLS
3. UPSKILLING EMPLOYEES AND STUDENTS

THEY SHOW HOW INNOVATION ISN'T JUST ABOUT PRODUCTS—
IT'S ABOUT PEOPLE AND KNOWLEDGE TOO!

CASE STUDY — MAHINDRA GROUP

MAHINDRA'S **SMART MOVES**

MAHINDRA INNOVATED IN:

1. ELECTRIC VEHICLES (EVS) — LIKE THE E20 AND TREO
2. FARM EQUIPMENT — SMART TRACTORS THAT INCREASE CROP YIELD
3. RURAL EMPOWERMENT — TRAINING FOR FARMERS AND WOMEN ENTREPRENEURS

THEY'RE BLENDING **TECH WITH SOCIAL IMPACT.**

HOW DO COMPANIES ENCOURAGE INNOVATION?

COMPANIES CREATE A CULTURE THAT SUPPORTS:

1. TEAMWORK & COLLABORATION
2. CREATIVE THINKING SPACES
3. TRIAL AND ERROR – LEARNING FROM FAILURES
4. CONTINUOUS LEARNING & UPSKILLING

THE **IDEA**: IF YOU'RE ALLOWED TO **EXPERIMENT**,
YOU'RE MORE LIKELY TO **INNOVATE**!

INNOVATION FOR GOOD

INNOVATION CAN MAKE THE WORLD BETTER

EXAMPLES:

- **REDUCING WASTE THROUGH ECO-FRIENDLY PACKAGING**
- **CREATING EDUCATION PLATFORMS FOR RURAL KIDS**
- **DEVELOPING CHEAPER HEALTHCARE TOOLS**
- **SUSTAINABLE ENERGY AND EVS**

INNOVATION ISN'T JUST PROFIT—IT CAN BE PURPOSE TOO.

A NEW INNOVATION IDEA

COMPANY CONCEPT: **GREENCART** — THE ECO KIRANA STARTUP

IMAGINE A COMPANY THAT DELIVERS DAILY GROCERIES IN SMALL TOWNS AND RURAL AREAS USING SOLAR-POWERED ELECTRIC CARTS.

BUT HERE'S THE TWIST:

1. EVERYTHING IS PACKAGED **PLASTIC-FREE**
2. IT USES AN **AI**-BASED APP THAT TRACKS WHAT THE LOCAL COMMUNITY NEEDS MOST
3. AND VILLAGERS CAN PAY THROUGH **DIGITAL WALLETS** OR EVEN UPI WITHOUT SMARTPHONES USING A **VOICE-BASED** SYSTEM
4. THIS COMPANY COULD REDUCE FUEL USE, SUPPORT LOCAL FARMERS, AND CREATE JOBS—WHILE KEEPING THINGS **AFFORDABLE**.

IT'S JUST A **MADE-UP** IDEA FOR NOW, BUT WHO KNOWS? MAYBE SOMEONE HERE WILL TURN IT INTO REALITY SOMEDAY!

FINAL THOUGHTS — LET'S THINK DIFFERENTLY!

INNOVATION IS EVERYWHERE—YOU DON'T NEED TO BE A **TECHIE**!
WHETHER IT'S MAKING SOMEONE'S LIFE EASIER, GREENER, OR MORE CONNECTED...
CORPORATE INNOVATION IS SHAPING THE **FUTURE**.
SO, NEXT TIME YOU SPOT A **CLEVER** IDEA—APPRECIATE THE **THOUGHT** BEHIND IT!

**THANK
YOU VERY
MUCH!**
